

BU-P3791**(MALE BNC CONNECTOR FOR RG-58/U WITH STRAIN RELIEF)**

- Male BNC connector with molded strain relief sized for RG-58/U coaxial cable. The connector is installed by crimping the conductor to the center pin and the shield to the body.
- Materials: Body – Nickel plated Brass
 - Body – Nickel plated Brass
 - Contact – Gold plated Brass
 - Insulator – PTFE
 - Strain relief – Flexible PVC
- Ratings:
 - Impedance: 50 Ohms
 - Temperature: -50°C to 170°C
- Length: including strain relief: 2.8 inches
- RoHS Compliant
